TO PROSPECTIVE JURORS

This questionnaire is designed to obtain information from you with respect to your qualifications to sit as a juror in this case. By the use of the questionnaire, the process of jury selection will be shortened. Please answer the questions as completely as possible. If you do not understand a question, please write "I DO NOT UNDERSTAND" and the question will be explained to you in court. The information contained within the questionnaire will become part of the Court's permanent record, but it will not be distributed to anyone except the attorneys in the case and the judge. During the questioning by the Court or the attorneys, you will be given an opportunity to explain or expand any answers, if necessary. If for any reason you do not want to answer any of the questions asked, please write the word 'PRIVATE' next to the question and we will take this matter up with you in private.

This questionnaire is part of the jury selection process. The questions must be answered by you under penalty of perjury and you should fill out this questionnaire by yourself without consulting any other person.

Please use the Explanation Section appearing on the 2nd page of the questionnaire to make further comments regarding any of your answers and please remember to indicate the corresponding question number.
